## **SKILLS**

Self-driven; fast learner; affinity for teaching and developing others; time management skills; multi-tasking expert; ability to perform under pressure; ability to adapt to dynamic circumstances; 50 word per minute typing speed; proficient in Microsoft Office (Word, Excel, and PowerPoint); proficient in Adobe Premiere, Audition, and Photoshop; Experience with social media such as Facebook, Twitter, and Instagram.

## **EXPERIENCE/PROJECTS**

### **Amazon, Riverside, CA | Pick Associate, PIT Ambassador | April 2018 - present**

- Work as part of a team to satisfy customer orders
- Maintained a high degree of accuracy for each customer order handled
- Dedicated to meeting productivity quotas to achieve daily and weekly order targets
- Trained hundreds of associates during the 2018, 2019, and 2020 years as PIT Ambassador for the Pick department in which I actively train new employees in the proper use of heavy machinery and associated PPE.
- Ambassador of the month for October 2018

### **USA Radio Networks | Producer | June 2017 - March 2018**

- Master of organization and multitasking: planned, prepared, and executed a nationally syndicated daily radio talk show “Trending Today USA”
- Dedicated to meeting tight deadlines on a daily basis
- Provided news updates and commentary On Air while operating control board and screening listener calls during live show
- Called and prepped guests for on-air interviews
- Maintained daily podcast version of the program on the website. Managed social media for the program
- Researched and cut audio for live shows and news team
- Monitored and verified on-air logs

## **KVCR PBS and NPR station | Radio Intern | May 2016 – March 2017**

- Contributed and voiced the daily evening drive time local news segment distributed to the Riverside-San Bernardino market
- Performed heavy multitasking during live broadcast
- Researched relevant local topics, wrote content, interviewed guests, and edited news stories to be broadcast on air. Produced promotional tags for NPR shows being broadcast on KVCR

## **EDUCATION**

**Bachelor of Science in Electronic Media and Film** with an emphasis in Media Production  
Northern Arizona University, School of Communications

Graduated: May 2015

### **K-JACK NAU Student Radio Station (AM 1680) | Production Manager | 2013-2015**

Produced audio content for radio programming. Provided leadership for the production department, which included delegating tasks to staffers and producing creative “On-Air” audio projects such as PSAs, station IDs, and commercials.

### **Senior Project: Greater Flagstaff Forest Partnership Smoke PSA | Producer | 2015**

Worked with public agency client to develop, write, and execute a public service announcement about the facts of prescribed forest burn smoke. Worked with client in development. Wrote much of the final script. Scheduled interviews and location shoots as well as meetings with the client. Provided creative input to the post production process. Provided voice work for final product. Client currently utilizes video.
