EXPERIENCE/PROJECTS

Fedex, Orange County, CA | Delivery Driver | May 2021 - Present

- Drive, navigate, and deliver customer packages in a timely manner
- Load and organize truck to ensure higher delivery efficiency
- Interface with business and residential customers in a friendly and professional manner

Amazon, Riverside, CA | Associate & PIT Ambassador | April 2018 - May 2021

- Maintained a high degree of accuracy for each customer order handled
- Dedicated to meeting productivity quotas to achieve daily and weekly order targets
- Trained new employees in the proper use of heavy machinery and associated PPE

USA Radio Networks, Anthem, AZ | Producer | March 2017 - March 2018

- Planned, prepared, and executed a nationally syndicated daily radio talk show “Trending Today USA”
- Provided news updates and commentary on-air
- Operated control board and screened listener calls during live shows
- Called and prepped guests for on-air interviews
- Maintained a daily podcast version of the program on the website
- Managed social media for the program
- Researched and cut audio for live shows and the news team
- Monitored and verified on-air logs

KVCR, San Bernardino, CA | Radio Staff | May 2015 – March 2017

- Voiced the daily evening drive-time local news segment
- Performed heavy multitasking during live broadcasts
- Researched relevant local topics, wrote content, interviewed guests, and edited news stories
- Produced promotional tags for upcoming shows to be broadcast

K-JACK NAU Student Radio Station, Flagstaff, AZ | Production Manager | September 2013 - June 2015

- Produced audio content for radio programming
- Provided leadership for the production department, which included delegating tasks for creative on-air audio projects such as PSAs, station IDs, and commercials

PROJECT: Greater Flagstaff Forest Partnership Smoke PSA, Flagstaff, AZ | Producer | May 2015

Worked with a public agency client to develop, write, and execute a public service announcement containing the facts and benefits of prescribed forest burn smoke. Developed the final script, scheduled interviews, location shoots, and meetings with the client. Provided creative input and voice work throughout the post-production process. The client currently utilizes the finished video. <https://vimeo.com/127016948>
